EXPERIENCE

JERSEY MIKE'S OCT 2025-Present

Oversee HR and IT operations across 3–6 franchises, managing hiring, payroll, and employee relations while implementing technology solutions to improve communication, data management, and operational efficiency.

JAN 2025- General Manager/ SEP 2022-Assistant Manager/ FEB 2020-Crew member

As a General Manager, I achieved an average of %98 accuracy in corporate auditing for a franchise. I successfully reduced good costs from 38% to 24–25% and decreased labor costs from 28% to 22%. Additionally, I managed payroll, training, workplace safety, cash handling, bank deposit, inventory, maintenance, scheduling, and HR for a team of over 100 employees for three franchises. And, as an assistant manager, delivered customer service by resolving inquiries and promoting company services, ensured client satisfaction through clear communication, and coordinated team tasks to improve workflow efficiency.

AMAZON 2023-2025

As a Process Guide (PG) and Ramp Associate, collaborating with Amazon Process Assistants (PAs) to efficiently load/unload cargo flights with creating, moving and securing the ULDs (Unit load device) into the aircraft by utilizing cargo tractors, K-loaders, belt-loader and PDAs (Personal device assistant). Additionally, load and unload trailers by utilizing PDAs (personal device assistants) to create shuttles, bags, and sort them into different designations with the help of amazon AI robotics.

USTRIVE AND MEDIUM

Currently approved and active mentor with Ustrive supported by American Express, mentoring high school students globally with their academic educations as well as helping them build resumes to land related job opportunities. Additionally, as an active writer focused on flash nonfiction writings regarding philosophy, investment, mindset, success, and critical thinking.
